

FOR IMMEDIATE RELEASE

Technologent Sponsors Western States Health-e Connection Summit and Trade Show in Phoenix, April 12-13

LAKE FOREST, CA, March 19, 2010 – Technologent, a nationwide Solutions Integrator, will participate as a sponsor at the upcoming Western States Health-e Connection Summit and Trade Show in Phoenix, Arizona on April 12-13 at the Phoenix Convention Center.

The two-day event, exclusively for the Western region, will bring together over 400 health information technology (HIT) stakeholders to learn and network as well as impact their dynamic industry. The event is produced by Arizona Health-e Connection, an Arizona-based organization leading the state's HIT activities, in collaboration with the American Medical Informatics Association, Arizona chapters of the American Health Information Management Association and Healthcare Information and Management Systems Society.

This year's event features a trade show with 50+ exhibitors, updates on Federal Stimulus implementation and policy, a panel on "meaningful use" of electronic health records, updates from the Western region on HIT efforts, international perspectives, new innovations in mobile health and much more!

"Technologent is excited to be a sponsor at this year's event," said Tom Gallaway, President, "The goal of our healthcare practice is to help healthcare organizations analyze their existing environment and implement better strategies. We offer healthcare data management solutions that help reduce storage costs, improve disaster recovery and meet compliancy requirements."

To learn more about the event, including how to participate, visit http://www.azhec.org/Summit_TradeShow.jsp.

ABOUT ARIZONA HEALTH-e CONNECTIONS (AzHeC)

AzHeC is a statewide non-profit charged with leading Arizona's establishment of health information infrastructure (HII), including adoption of electronic health records and health information exchange. Now an independent non-profit incorporated in 2007, AzHeC originally grew out of an August 2005 gubernatorial executive order to develop a Roadmap for HII in Arizona. AzHeC has been widely recognized for its collaborative work in moving Arizona's HII efforts forward through strategic communication and coordination among multiple stakeholders. The organization is a recipient of the coveted Council of State Governments' Innovations Award and has also been featured in a Harvard Business School case study. Learn more at www.azhec.org.
