

## **Technologent Expands High End Professional Services Capabilities with DiscoverIT Solutions Inc.**

LAKE FOREST, CA, January 6, 2010 - Technologent, a leading national provider of technology infrastructure solution for Fortune 1000 companies and a certified Women-Owned Business Enterprise (WBE), has partnered with DiscoverIT Solutions, Inc. to provide dedicated, highly experienced Professional Services Sales Specialists (Engagement Managers) to augment the Technologent PS organization and to provide better sales & delivery coverage across the US for a variety of vendor products and solutions in 2007 in the Southern California market. The companies are now expanding the Professional Services offering across the nation.

DiscoverIT provides real world experience in their engagements. Engagements include working in a Professional Services capacity for such organizations as Oracle and Sun Microsystems. Past projects include the management and delivery of large ERP implementations and Data Conversions for Oracle clients. In addition, the company has provided a wide range of solutions for Sun Microsystems Customers including Server, Storage and Tape Implementations (Clusters and SANs), Enterprise Architecture Assessments, Roadmaps and Migrations.

"In cooperation with the Technologent Sales Teams, we can position Technologent in our accounts as a trusted advisor." said Steve Church, President, DiscoverIT. "We are very pleased to be teaming up with a leading company like Technologent to propose and deliver appropriate technical solutions to solve and support our customers' technical requirements."

DiscoverIT's Services and Solutions include:

- Project Based Solutions
- Contracting Support and Staff Augmentation
- Permanent Placement and Temp-to-Hire

"DiscoverIT offers our customers' a mature delivery methodology with a dedicated delivery manager to oversee engagements and ensure successful delivery." said Peter Harmon, Technologent Director of Professional Services. "In addition, DiscoverIT Solutions Disabled Veteran Business Enterprise (DVBE) Certification provides Technologent with additional purchasing advantages for a number of government and education customers."
