Technologent Becomes Oracle PartnerNetwork Specialized Gold Level Partner

LAKE FOREST, CA, April 19, 2010 – Technologent, a nationwide Solutions Integrator, today announced that it has achieved Gold Partner status in the [Oracle PartnerNetwork](#) (OPN). By attaining Gold Level membership, Oracle has recognized Technologent for its commitment to establish Oracle related in-depth expertise and excellence in delivering Oracle solutions. As an Oracle Gold Partner, Technologent intends to continue its growth as a leading technology organization, providing comprehensive Oracle applications, middleware and database solutions.

"We recognize that enterprise applications are the backbone of business and understand that enterprise application services are all about the performance, scalability, and robustness of business," Marco Mohajer, Technologent Sr. Vice President Sales and Marketing. "Optimizing business operations requires more than taking advantage of every feature available in an enterprise solution. It involves applying these tools in a way that increases overall productivity, improves efficiency, and reduces operating costs. Having the ability to offer products from an industry leader like Oracle, in addition to our other manufacturers, further differentiates Technologent from our competitors, and reinforces our commitment to provide our customers with solutions that meet their current and future needs."

The Oracle Gold Partner level status will allow Technologent to broaden its solutions portfolio and sales opportunities, while building its credentials to become specialized and increase customer retention. With access to Oracle's premier products, technical services, education, and marketing and sales support, this new development will help Technologent gain expertise across Oracle solutions, and become a differentiator for its clients across various industries.

With its Gold status, Technologent receives the benefit of being able to start developing specializations that will allow them to grow their business, increase their expertise, reach higher levels of customer retention, and create differentiation in the marketplace. Gold members also become eligible to resell all Oracle Technology products and can apply to resell Oracle Applications and Industry Solutions. In addition, they receive access to Oracle account representatives and My Oracle Support updates for all products, discounts on training, limited free assessment/exam vouchers, reduced rates on the purchase of Oracle licenses for internal use, discounts on advanced customer services and more.
